# PHL Employee Parking

## Download the ParkWhiz App for iOS or Android

The ParkWhiz App Lets You:

- Create an account with your email or use Apple or Google accounts
- Validate existing parking account by phone
- Two parking access options: Scan Pass or Bluetooth entry
- Gain access to Parking Lots without rolling down window
- Still be able to use Parking Access Card
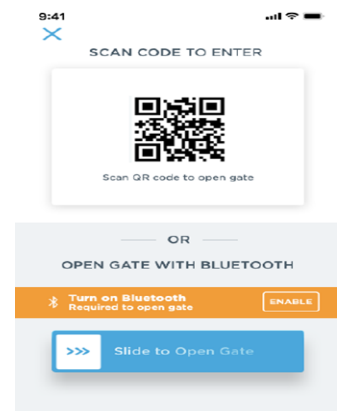

Set Up and Mobile Number Validation Steps

| Start validation process by sending code	Validate phone for continued parking access	Access Pass or Bluetooth

Once mobile number is validated users will be able to repeatedly access their access control screen from home tab in the ParkWhiz App

Access Parking 2 ways with the ParkWhiz App

Scan Code to Enter:

Bluetooth Entry:
